Dear Friends,

Plans are underway for the Washington Park Conservancy's signature fundraising event, *September Splendor*, which will be held on **Saturday, September 23, 2023, from 7-9:00 pm** at the Lake House in Albany's Washington Park. The hallmark of the event is the fabulous silent auction which features magnificent botanicals ranging from trees to flowers to fine dining.

An end-of-the season tradition, *September Splendor* is a one-of-a-kind event that raises funds to preserve and improve historic Washington Park. We hope that you will consider contributing to this uniquely special event.

Please consider participating in *September Splendor* with a donation of gift certificates, merchandise, services or a special experience to our Silent Auction.

The Conservancy will provide recognition for auction donors in our event signage and program and on our website, and you will receive written acknowledgement of your gift for tax purposes. I hope you will be a part of the celebration. A member of the Auction Committee will follow up with you over the coming weeks. In the meantime, if you have any questions, please email us at:
september.splendor@washingtonparkconservancy.org

With your help, the Washington Park Conservancy can continue its work to preserve and enhance this historic gem in the heart of Albany. Thank you for considering our request and for being a part of *September Splendor*.

Sincerely,

Jeff Crumpton
President, Washington Park Conservancy
